MORNING CONSULT + The New York Times

National Tracking Poll #200424 April 09-10, 2020

Crosstabulation Results

Methodology:

This poll was conducted between April 9-April 10, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table NYT1_1: The following questions are about how you spent your time before and during the COVID-19 pandemic, also known as coronavirus. Compared to before the government began requiring social distancing to prevent the spread of COVID-19, how much time do you currently spend doing the following? Housework, such as cooking and cleaning	4
2	Table NYT1_2: The following questions are about how you spent your time before and during the COVID-19 pandemic, also known as coronavirus. Compared to before the government began requiring social distancing to prevent the spread of COVID-19, how much time do you currently spend doing the following? Childcare	10
3	Table NYT1_NYT1_3: The following questions are about how you spent your time before and during the COVID-19 pandemic, also known as coronavirus. Compared to before the government began requiring social distancing to prevent the spread of COVID-19, how much time do you currently spend doing the following? Your work or job	15
4	Table NYT2_1: Before the COVID-19 pandemic, also known as coronavirus, spread to the U.S., who in your household was most responsible for the following tasks? Housework, such as cooking and cleaning	21
5	Table NYT2_2: Before the COVID-19 pandemic, also known as coronavirus, spread to the U.S., who in your household was most responsible for the following tasks? Childcare	26
6	Table NYT3_1: And since the government has required social distancing because of the COVID-19 pandemic, also known as coronavirus, who in your household is currently most responsible for the following tasks? Housework, such as cooking and cleaning	30
7	Table NYT3_2: And since the government has required social distancing because of the COVID-19 pandemic, also known as coronavirus, who in your household is currently most responsible for the following tasks? Childcare	35
8	Table NYT4: Since schools have closed, who in your household is spending more time homeschooling your child(ren) or helping them with distance learning?	39
9	Table NYT5: To what extent do you feel pressure to do parent-led education activities with your child(ren)?	43
10	Table NYT6: And since schools have closed, have you given your child(ren) more or less freedom in how they spend their free time, or about the same amount?	47
11	Table NYT7: Which of the following is closest to your opinion, even if neither is exactly right?	51
12	Table NYT8: Since the COVID-19 pandemic, also known as coronavirus, spread to the U.S., how supportive has your employer been of working parents?	57
13	Table NYT9: And specifically, does your employer expect you to work more or less compared to before the COVID-19 pandemic, also known as coronavirus, or have their expectations stayed about the same?	62

14	Table NYT10: How much have you seen, read, or heard about Congress passing a new law giving paid sick leave and paid childcare leave to some American workers?	67
15	Table NYT11: If you are eligible for paid sick leave or paid childcare leave under the new law passed by Congress, are you planning on taking it?	72
16	Table NYTdem1: Amid the COVID-19 pandemic, also known as coronavirus, are you currently working remotely or have other flexible work arrangements in place?	77
17	Table NYTdem2: And is your spouse or partner currently working remotely or have other flexible work arrangements in place?	82
18	Table NYTdem3_1: Do you currently live with the following people? At least one child younger than 12 years old	87
19	Table NYTdem3_2: Do you currently live with the following people? At least one child 12 years or older	92
20	Table NYTdem3_3: Do you currently live with the following people? Your spouse or partner	97
21	Summary Statistics of Survey Respondent Demographics	102

Crosstabulation Results by Respondent Demographics
